ACTUAL PROBLEMS IN COLUMBOPATHOLOGY

06-07 March 2020, Warsaw, POLAND

Ladies and Gentlemen,

On behalf of Organizing Committee we are honoured to invite you to participate in the 1st World Congress “Actual problems in columbopathology” of the International Veterinary Pigeons Association and VIII Jamboree of Polish Veterinarians Columbophiles to be held in Warsaw, Poland on 6-7th March, 2020.

We am absolutely convinced, that it will be perfect opportunity to exchange experiences, develop new partnerships, and attend great lectures.

Conference will take place in Warsaw Plaza Hotel, conveniently connected to downtown of Warsaw, architecture gem of polish cities!

Warsaw is always fascinating place to see. We encourage you to acquaint with landmarked buildings of national heritage.

We look forward to welcoming you in Warsaw, Poland among enthusiasts columbophiles.

On behalf of Organizing Committee,

Prof. dr. hab. Piotr Szeleszczuk
